Advocacy marketing is a strategy that incorporates the designed involvement of current customers in your sales and marketing programs, encouraging them to proactively talk about their positive experiences with prospects.

You have happy customers and clients who would be thrilled to tell their story. Advocacy marketing creates an opportunity to get their attention, reward their participation, and leverage their content and their voice to help you close more new customers and close them more quickly.

**What Is Advocacy Marketing?**

Advocacy marketing is helping companies shorten their sales cycle and close more customers. Here’s a breakdown of the data and the science behind this marketing strategy.

**Why Advocacy Marketing?**

Marketing-induced consumer-to-consumer word of mouth generates more than 2X the sales of paid advertising.

Advocacy is great for your customers, too!

Brand advocates gain opportunities to influence product direction and develop relationships with key executives.
